Visitors driving

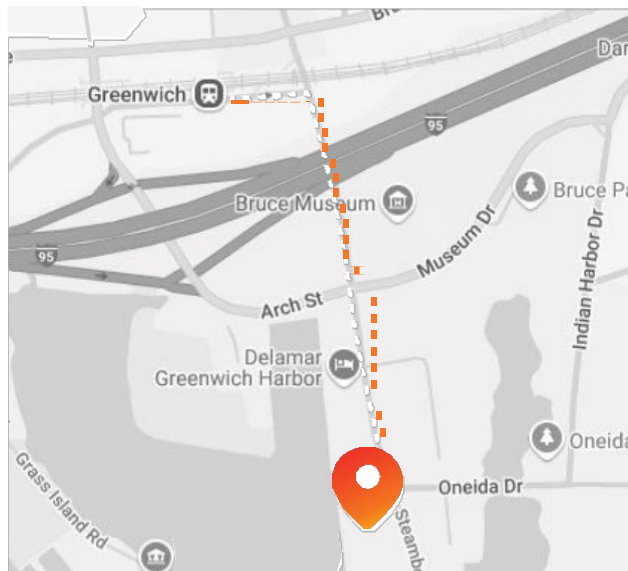

Please park in the North parking lot, the first garage on your right. Look for building number 600 to find the North entrance ramp. Use the intercom system at the gate to contact security and inform them you're visiting Zinnia. Please park in one of the spaces marked "visitor" and enter through the "visitor entrance" sign. Go down the ramp to the security desk, provide your name and ID for check-in, then take the elevator to the first floor. Ring the doorbell on the right wall under the Zinnia logo, and someone will greet you.

Visitors taking a car service

Drivers can be dropped off in front of the building in the turnaround area which is located right in the middle of the building. Please walk through the plaza and enter through the lobby on the right when facing the water. If your driver needs to park his/her vehicle, there are parking spots either on the street across from the turnaround area or in the upper south and north parking lots.

Walking directions from Greenwich Train Station

Walk about 5 minutes from the station and pass the Delamar hotel on your right, then enter the right plaza through the middle of the building (courtyard area).
